Triumph Teen Life Center is for those students who have a skill in one of the many services we offer and are looking to get to the next level. It is also for students who have always wanted to participate in one or more of our rooms to develop a skill but have not had access to the tools or coaching, until now. Triumph Teen Life Center invites those students who are looking to start a career in music, art, writing, agriculture just as much as the students who are passionate about hobbies.
